

# BEFORE YOU SUBMIT...

## **Read the Common App Profile**

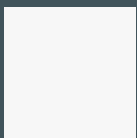

### **Out Loud:**

This will make any spelling mistakes stand out.

## **Check your essays for spelling and grammar:**

There's no time to do a complete rewrite, but it would be terrible if you submitted the application and misspelled 'because'.

## **Check for any missing sections:**

Make sure that nothing is left blank!

"Once you're done with your college application- be done with it. You're always going to want to go back and change it, but you can't change it forever," said Erica Bass, part of McLean's Class of 2020.
